Brewing System

The Bolt™ Pack

The sealed Bolt™ packs keep coffee grounds fresh. Since the coffee is pre-measured, your freshly brewed coffee will always have the excellent, consistent taste Keurig is known for; and you will have no messy filters or spilled grounds to clean up. Simply place the pack into the brewer. Press the "Brew" button. And in about two minutes, enjoy a 64 oz. pot of coffee.

To prepare packs for recycling

COOL

Bolt™ packs are **HOT** after brewing. Please allow time for them to cool.

PEEL

Carefully peel back tab to separate foil lid and any filter from the cup.

RECYCLE

Recycle your packs wherever #5 plastics are accepted.

Visit www.BoltRecycling.com to see if recycling #5 plastic is available in your area. A recycling center may not be available in your area, so please check with your local municipality for recycling options.

The Bolt™ Pack Varieties

Keep your employees and customers delighted with fresh and delicious gourmet coffee from the brands they love, delivered with Keurig convenience and speed. Choose from smooth or bold regular coffees, as well as satisfying decafs and delightful flavored varieties.
